## You are the Mother of our Bond—

YOU may not have been one of those thousands of women who brought us their freshly-baked home-made bread in order to show us how they wanted their bread to be made—

Perhaps you discovered only recently how pure and homelike Bond Bread is.

Perhaps you may be one of the few who haven't discovered it at all.

But, just the same, you are the mother of our Bond. It is you—the woman who knows good bread—the woman who knows what should go into the dough in order to make good bread—it is *you* who have inspired the goodness of Bond Bread.

And, above all, it is you—the head of the family—who inspired the Bond which gives Bond Bread its name.

When we say in our Bond, "To whom it may concern," we mean *you*. When we guarantee that Bond Bread contains only the very purest ingredients—finest flour—whole milk—real lard—granulated sugar—table salt—and fresh compressed yeast—we have your picture before us.

It is more than a cold legal Bond that we give you—it is a personal Bond—a personal pledge—a personal contract by which we obligate ourselves to *you*.
